Free Online Event
(You can join On-demand)

Invitation for Students & Faculty Members of Partner Universities

A total of 19 faculty members and graduate students from six partner universities in Africa will be invited to Utsunomiya University in March. In addition, various events will be organized from March 4 to 8 as the "**Student Summit 2024**". Through these events, let's think together about the future of African countries and Japan from the perspective of achieving the SDGs. If you sign up to participate, you can watch video presentations of SDG-related research by students from the seven partner universities. Chat Q&A sessions will also be available. The Zoom URL for the events will be provided to those who register.
